Three new teams appear on the Medicos' schedule for next season—University of North Carolina, Georgetown and the University of Mississippi. The latter game will be staged in Richmond October 15, and will probably prove one of the best games of the local season, as the Mississippians have heretofore been in the front rank of Southern football clevens.

Lee Garvin was forced out of writs, and Howell played first. Steve Griffin changed his batting order completely, but the change had little effect. Bill Laval produced the only enlivensing thing of the conflict when he hit for the circuit in the eighth, scoring Lusky ahead of him.

The Colts never caught the Pirates after the first box. They got within one of the leaders in several frames, but were unable to send home the tying count. Portsmouth scored two before anybody knew what had happened. Tennant walked, Whitcraft hit and when Moreland let the ball get away from him Tennant scored, and
